**Educating today's
students to succeed
in tomorrow's world.**

Are Students Prepared to Succeed If...

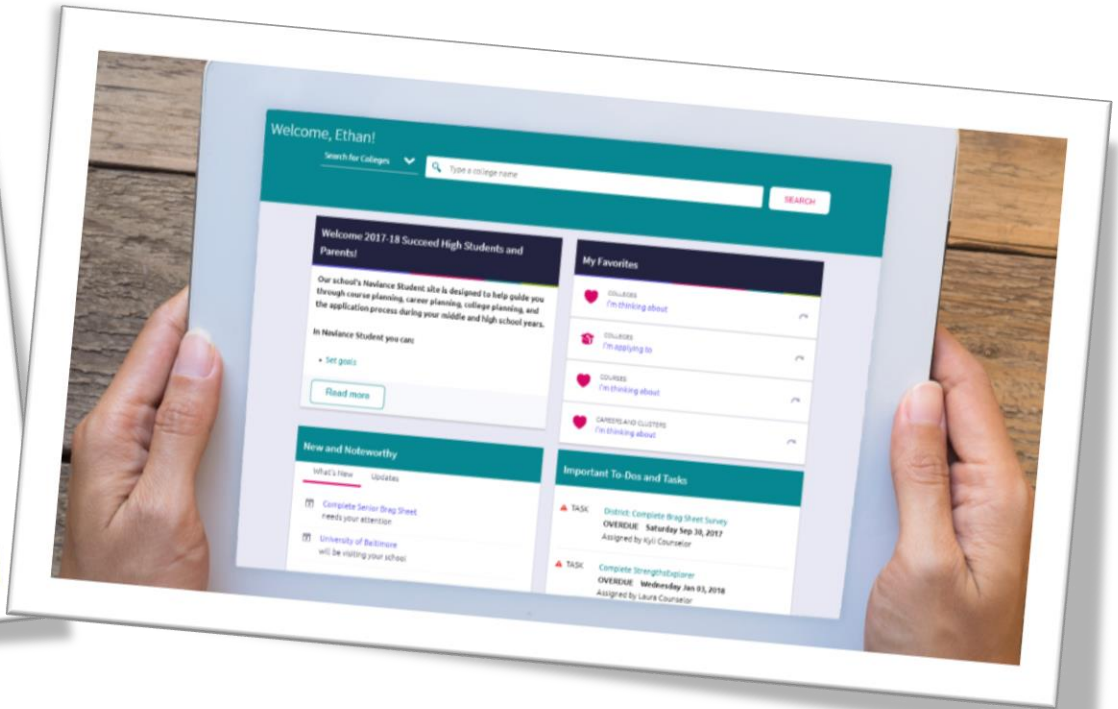

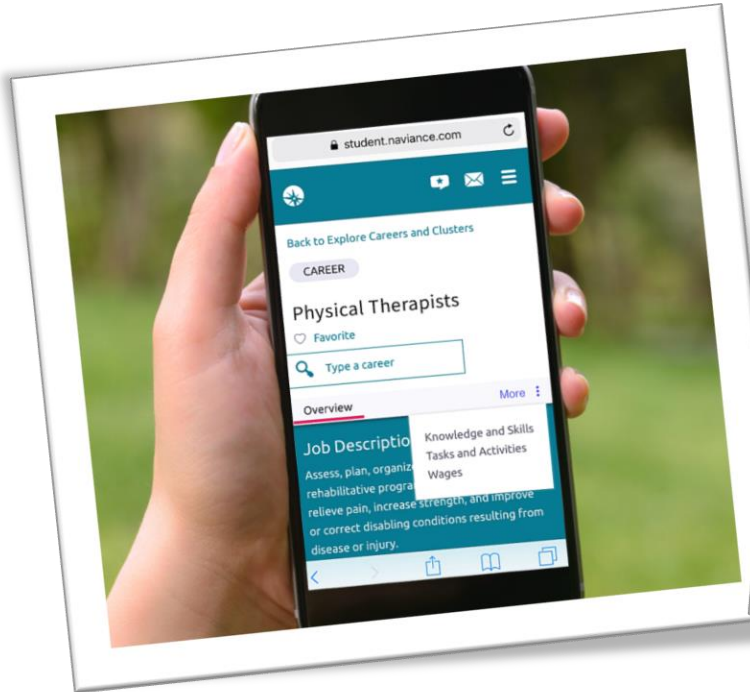

- They don't know what they want to be?
- They don't know how to achieve their goals?
- They don't have resources and support?

A photograph of four students sitting on stone steps outdoors. A woman in a white shirt is leaning over a man in a grey t-shirt who is holding an open book. A woman in a black top is looking at the book, and a woman in a red and black plaid shirt is smiling. The scene is overlaid with a semi-transparent green banner containing the text 'What's New in Naviance Student'.

It's a good idea when you're making a goal to make it something you'll need to work toward. Then, use the "next steps" to break it down into smaller parts like "getting an A in math."
